## APPENDICES

### APPENDIX A

Companies designated as manufacturers can benefit from Productive Input Relief (PIR), specifically:

- Duty-free importation
- GCT-deferral on imported items
- 50% discount on the Customs Administrative Fee (CAF)

All companies in Jamaica may also benefit from the Employment Tax Credit and the revised Capital Allowance and Loss Carry Forward Schemes.

### APPENDIX B

Site visits are a requisite part of the evaluation process.

- Site visits will be conducted **within 3 working days** for those companies that require **1.5 hours or less of travel time**
- For companies that require **more than 1.5 hours of travel time**, those site visits will be conducted **within 10 working days**.

### APPENDIX C

Part 4 of the Third Schedule of the Customs Tariff (Revision) (Amendment) Resolution 2013, outlines the five (5) categories under the PIR that can be imported on a duty-free, GCT-free basis namely:

1. Raw Material
2. Intermediate Goods
3. Consumerables
4. Packaging Material
5. Equipment

Only items falling within these categories can benefit from the PIR.

Note that some items are exempted from the PIR, i.e. goods listed in Part I of the Fourth Customs Tariff (Revision) (Amendment) Resolution 2013 and goods that the Commissioner of Customs is satisfied can be obtained in adequate supplies from a local manufacturer or from within CARICOM.
